3 bedrooms • 2.5 baths • 1,893 sqft

This lovely front facing North Redondo Beach townhome built on an oversized lot, the three-unit complex is clean and well maintained. The reverse floor plan allows light and city views from the upstairs living areas. The kitchen, dining and living area features vaulted ceilings and are all open for seamless entertaining. The outdoor deck off of the living room is a great space for entertaining on summer nights where you can enjoy sparkling city views. The upstairs master suite connects to the outdoor deck and features high ceilings as well, the master bath has a large double vanity with plenty of counter space and an upgraded tub-shower. The kitchen has newly refinished cabinets, stainless appliances and tile counter top. As you enter the home's spacious ground level common area with plenty of built in storage, you have easy access to the two lower bedrooms: one with a walk in closet and the other features a small side yard, there is a full bathroom on this level as well. The finished garage can house two cars and still has room for storage. This location provides easy access to all of the South Bay's best attributes including a 10 minute drive to the beach, great restaurants and shopping, and some of the highest ranked schools in Los Angeles.
